### Load in and Parking:

- Physical address: 1213 Ocean Avenue, Asbury Park, NJ 07712

<https://maps.google.com/maps?client=safari&oe=UTF-8&q=1213+Ocean+Avenue,+Asbury+Park,+NJ+07712&ie=UTF-8&hq=&hnear=0x89c2266997673eab:0xec20883d1bb3f916,1213+Ocean+Ave,+Asbury+Park,+NJ+07712&gl=us&ei=gWr-UpjHOemxsQTPIoHABQ&ved=0CCYQ8gEwAA>

- You will enter Asbury Park on Asbury Avenue. Make a left onto Kingsley Avenue. From Kingsley, you will turn right onto 5th avenue. The driveway for the club is  $\frac{3}{4}$  of the way down the block on the right side. The Wonder Bar is the only building on the block. **If you have made arrangements with the PM to load in from the street, please pull your vehicle to the right side of 5th avenue facing the ocean. The bus will need to move into the parking lot after load in, early arrivals should NOT park on street without prior arrangements.** Otherwise pull in the lot behind the building. A single bus and trailer can fit down the driveway provided you pull the nose all of the way to the fence to allow other vehicles to pass. Vans/ personal vehicles can unload from the driveway near the back door and then move into the parking lot.
- Load is at street level, 50' push to stage.
- Load through 36" door. A 60" double door on the south side of the building can be utilized when needed.
- Stage is two steps up from ground level.
- All on street parking is metered by the city of Asbury Park. The venue will not pay any parking fees or fines accrued from parking your vehicle on the street instead of in our lot.

**TRASH:** *Please do not leave loose trash or garbage bags outside of your tour vehicles. A staff member can provide you with garbage cans or you can feel free to use the dumpsters behind the building. As we are an oceanfront community, there are large pigeons and seagulls that will make a mess of any loose trash, which results in complaints and or fines from the city and Clean Ocean Action. Any fines will be billed back to the artist, promoter, or booking agency. Thank you for your cooperation in this matter.*

### Dressing Rooms:

- A single large, furnished green room is available. The room is only semi-private, as the bar staff does pass through for access to the coolers. All restrooms are public and there is no shower within the facility.

*Please note that in most cases the dressing room will close no more than one hour after the end of show.*

### Internet:

- WiFi is available throughout the facility. There is no provision for a hardwire connection. Passwords change frequently and will be provided on the day of show.

### Basic Schedule:

*Subject to change based on the needs of the artists and show, but the general run of day is as follows:*
